Converting Support to Food

The *Beef Counts* program takes donated funds and through a dollar match from the Agri Beef Company, purchases ground beef. The beef is then distributed by The Idaho Foodbank to their community partners that include food pantries, senior centers, feeding sites and shelters. In rural areas of Idaho where the need is greatest, but often there is no local food partner, The Idaho Foodbank distributes food through a mobile pantry.

Helping Our Idaho Neighbors in Need

For the 12.7% of Idahoans and 16.2% of Idaho children who face hunger every day, the *Beef Counts* program provides high-quality protein, making it an important part of a well-balanced diet.

“Employees of the cattle feeding operations are proud of the beef they produce and *Beef Counts* is a way they can feel like they support the communities they live in.” - John Hepton
